It isn't as easy as saying 'Wonder Woman 1984' is a good or bad movie. The pieces are there, and there are moments I adore, but it does come across as a bit of a mess, even though the action sequences are breathtaking. If you're a fan of the original film, you'll be more willing to take the ride, but for those more indifferent, it may be a bit of a blander sit. If you...

Biography

Emilia Isabelle Euphemia Rose Clarke (born 23 October 1986) is an English actress. Clarke rose to prominence in 2011 for her breakthrough role as Daenerys Targaryen in the HBO series Game of Thrones, a performance that has gained her both critical and popular acclaim. In 2017, Clarke became one of the highest paid actors on television for earnings of £2 million per episode of Game of Thrones. Clarke made her Broadway debut as Holly Golightly in a production of Breakfast at Tiffany's in March 2013. In 2015, she was named Esquire's Sexiest Woman Alive. She is also known for her starring roles as Sarah Connor in the science fiction film Terminator Genisys (2015) and as Louisa Clark in the romance film Me
